

Crime Statistics Reporting

Introduction

The Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act (20 USC § 1092(f)) is a federal law that requires colleges and universities to disclose information about campus and around their campuses. The current crime statistics are collected from local law enforcement agencies, such as the Los Angeles Police Department and building management. The Clery geography is anywhere from public property immediately adjacent and accessible to campus.

The following chart contains statistics for the previous three years for any reported crime that is known in Los Angeles Pacific College’s Clery geography. Paper copies of this report are available upon request. You can find the copy of this report at this link: [2023-2025 Clery Crime Statistics](#).
